INVITATION

Women make history – and have histories to tell

International Women's Conference and Party
On the occasion of the 200th jubilee of the Basel Mission
Monday, 8 June 2015, Basel

The Women and Gender Desk and the Special Commission Women and Gender would like to cordially invite you to an international women's conference on the theme "Women make history – and have histories to tell" marking the 200th anniversary of the Basel Mission.

The Basel Mission, the largest supporting organisation of Mission 21, is celebrating its birthday under the heading "200 Years Hope Unlimited". We would like to look back over history, reflect together on where we are today and look forward to our future tasks.

After the Women's Conference we would like to invite you to an evening meal and party. This will also be an apt opportunity to strengthen our women's network.

The provisional programme is as follows:

Monday, 8 June 2015 Auditorium at the Mission House, Basel

- 2 pm Women's Conference – Presentations – Workshops
- 6 pm Evening meal and party with international guests of Mission 21

We look forward to welcoming you. Both women and men are welcome.
The number of participants is limited.

Please register until 30 April 2015 under the following email address:

frauenkonferenz@mission-21.org
